Nutcracker Shoppe, El Lago Arts and Crafts Guild

Dear Applicant,

Thank-you for your interest in the 2024 Nutcracker Shoppe. The dates for this year's show are November 1st (9-5) and November 2nd (9-3). It is held at Taylor Lake Christian Church, 1703 Old Kirby Rd., Taylor Lake Village,Tx,77586 (Seabrook area).

All crafts must be handcrafted by the exhibitor (except frames, containers, etc.) This rule eliminates all commercial enterprises from participating in our bazaar. For this reason it is important to have a detailed description of your crafts and,or food items. We maintain a protected craft list for our members. Many craft categories are considered open and available to all members. Each crafter submitting an application must provide photos of the products you will display in your area and if possible, photos of your booth set-up. In order to present a nice variety of items for our customers we limit the number of crafters in each category. No shared tables allowed. Available space is limited, so please return your application (addresses below) , as soon as possible. Your application will be reviewed by our Board and you will be contacted when a decision has been made.

We are not a table top show, our crafters do not sit at their tables. All sales are collected through a central checkout. Cost is $100.00 for approx. a 6'x 3' space. Please do not send a check with the application it will be collected upon acceptance.

We have a mandatory planning meeting in September or October. You will also be required to serve on 2 committees that will require work before and after the show and to work several shifts (i.e checkout or merchandising) during the show. --- ---
